

Component Overhaul & Repair

EXPANDING CUSTOMER SUPPORT CAPABILITIES THROUGHOUT THE UNITED STATES OF AMERICA

To provide ongoing maintenance and support for WESCAM's airborne and ground based electro-optical and Infrared (EO/IR) imaging systems, L-3 WESCAM has partnered with L-3 Component Overhaul and Repair (L-3 COR) to create an Authorized Service Center in Fort Lauderdale, Florida. As a certified FAA Part 145 repair station, with an unlimited license and a European EASA Certified facility, L-3 COR is equipped to support and maintain WESCAM's portfolio of MX™-Series imaging turrets.

Who is L-3 COR?

L-3 COR is a leading service and repair provider of commercial and military avionics maintenance repair and overhaul services with a record of unsurpassed performance, quality and customer support. Leveraging L-3 COR's expertise in component overhaul and repair, L-3 COR will deliver cost-competitive, in-house maintenance, repair, overhaul services and upgrade capability to U.S. domestic customers from L-3 COR's 40,000 square-foot facility.

L-3 COR also provides avionics component overhaul and repair to industry leaders such as Lufthansa Technik, Alaska Airlines, US Airways and Marshall Cambridge.

Recognizing that intelligence is a key component of pre-emptive action in both combat and peacetime operations the facility's primary focus is on operability and availability, and ensuring our customers have access to WESCAM's finest mission equipment on a moments notice.

WESCAM
CUSTOMER SERVICE

L-3 WESCAM'S TEAM OF AUTHORIZED SERVICE CENTERS

Designed and manufactured in accordance with our ISO 9001:2000 certified quality system, WESCAM has the facilities, staff and supply chain in place to manufacture and support its imaging line, microwave line, and integrated system solutions for the long term.

In conjunction with the establishment of future Service Centers, WESCAM is investing heavily in:

- Equipment & infrastructure for items as MX™ loaner systems, spares inventory, test and diagnostic equipment
- An increased service presence to provide local and in-depth support
- A remote modem diagnostic capability and on-line status reporting for immediate customer support

As a result, WESCAM can ensure faster response and repair turn around times, minimum downtime, maximum operational availability and increased customer satisfaction.

As the company's install base of equipment expands, WESCAM continues to expand its global footprint by partnering with leading service providers to create strategically located WESCAM Authorized Service Centers (WASCs) around the world.

L-3 COR is just one of WESCAM's Authorized Service Centers. Others can be found in:

- Abu Dhabi, UAE
- Aranjuez, Spain
- Amman, Jordan
- Burlington, Canada
- Cairns, Australia
- Donauwörth, Germany
- Fort Lauderdale, USA
- Gloucestershire, UK
- Lapalisse, France
- Quito, Ecuador
- Riyadh, Saudi Arabia
- Rome, Italy
- Santa Rosa, USA
- Telford, UK
- Tokyo, Japan
